I Am the One

I can be the one,
The one who will achieve my aspiration
I will be the one,
The one who will strive to prosperity
I cannot fail and I will not fail.

Education is the key
The key that opens the doors full of possibilities
Having reached senior year,
I can almost hear my family cheer
This is the year

I can be the one,
The one who will achieve my aspiration
I will be the one,
The one who will strive to prosperity
I cannot fail and I will not fail

An architect
The blueprint planner
I can be the one
The building designer
I will be the one

I can be the one,
The one who the Choctaw tribe will hire
The future casino and attractions designer
I cannot fail and I will not fail
I am the one
